

CARE MANAGEMENT SERVICES

"Let us help manage your care needs."

Our Care Managers, all Licensed Registered Nurses, can take the stress out of your day.

Care Management services include:

- **Planning and Coordinating Care**
assessing your care needs, and developing a care plan.
- **Advocating on Your Behalf**
accompanying you to doctor visits, and keeping your family informed.
- **Managing Medications**
preparing weekly medications.
- **Educating and Training**
teaching caregiving techniques.
- **Assisting with Emergency and Disaster Preparation**
developing an emergency plan.

ATTENTION PLUS CARE

"We're here to help."

In addition to Care Management, we offer Direct Care Services in your home, including:

- **Companions**
helping with chores and dressing.
- **Health Aides**
helping with health monitoring and bathing.
- **Nurses**
helping with wound care and medical treatments.
